I have read and discussed this Covenant of Behavior with my student. I also understand that a consequence of violation of the covenant may be that I will be asked to pick up my student up from this youth function **at my own expense**. I also understand that St. Luke is not responsible for any lost, stolen, or broken belongings. **This includes Cell Phones, and iPods.**

I also understand that for the Service Project on Saturday afternoon my student may be traveling around Sanford in the Church van or in the vehicle of an approved UMYF chaperone. I also understand that if my child is participating in the Saturday evening youth activity he/she will be transported out of town in the Church van or vehicle of an approved UMYF chaperone.

I also attest that the medical information on the St. Luke UMYF medical release form is current and does not need to be updated.
